FORTY-FIFTH ANNUAL REPORT.

1915.

REALIZING that we are workers in our Lord's vineyard, and remembering how often His guiding care has been with us, it is a pleasure to look back on the way we have been led and cared for and helped through the year that has just closed. At the beginning of 1915 our President gave us for our motto these words of the prophet Jeremiah:—"Behold I am the Lord, the God of all flesh; is there anything too hard for Me? * * * Call upon Me and I will answer thee, and will show thee great and mighty things that thou knowest not." Let us see how true they have been as we take this brief look backward.

In the first three months of the year the Rev. Mr. Sunday was conducting his religious campaign in our city and we see how it was reflected in the life here. Through the reports of the Admission Committee, which has charge of the girls boarding in our house, we find that the speakers and singers of the Sunday party conducted many meetings here. A Personal Workers' Class was formed, Bible classes also, and prayer meetings in different parts of the house were frequent. Later in the spring the Philadelphia School of the Bible held services in our house; these were well attended and were found very helpful. There were also many social evenings arranged or chaperoned by the Admission Committee. On January 6th, the usual House Party was held; this consisted of a complimentary concert tendered by the Tempo Male Chorus, and was followed by a social hour. This is a great annual event, and to it all in our house and the Annex are bidden. Entertainments by the various Clubs, musicales, summer outings and picnics varied and made pleasant many days in the year. A Farewell Service for the girls who were leaving for the summer, and a Welcoming meeting in September for new girls and those who were returning, were most pleasant occasions. The Committee is indebted to Mrs. Alfred F. Moore for the gift of a fine piano for the living room, also to the Hyperion School of Music for fifty tickets for a musicale, and to the Philadelphia Orchestra for seventy-five tickets for a Popular Concert. They thank also the following who conducted or helped in the Sunday morning services: Rev. G. W. Babcock, Madame Barakat, Mrs. H. Augustus Nolte, soloist; Mrs. Clara Yocum;

Joyce, soloist; Mr. F. Nevin Wiest, cornetist; Rev. John Grant Newman, Rev. William H. Nichols, D.D., Rev. E. C. McCartney, Rev. H. C. Stone, Rev. J. G. Bickerton, D.D., Rev. F. P. Pfatticher, Rev. Llewellyn Caley, D.D., Rev. F. R. Thomas, Rev. A. E. Barnett, Mrs. A. E. Carpenter, Mrs. August Pohlman, Rev. Groves N. Drew, Rev. George A. Crider, Miss Bertha G. Johnson, a missionary to the lepers in India, and Mr. Isaac Freeman, a converted Rabbi.

The BUILDING COMMITTEE has had charge of the repairs needed in our large house; but their principal work this year has been the erection of the new building for the Kensington Branch. Congratulations are due them for the success attending their constant care and their minute attention to details.

To the HOUSE COMMITTEE is committed the work necessary to keep this house in spotless condition, which is no small task and goes unceasingly on. The cleanliness and order of the various rooms are owing to their constant supervision; and the need for new carpets and curtains is a frequent problem.

The TRANSIENT COMMITTEE reports 21,436 lodgings during the year. On many nights the house has been crowded to its utmost capacity and late comers were sent to nearby boarding houses and hotels. In summer, when so many of the permanent boarders are away, many more can be accommodated, but the demand for rooms is far greater then, the record showing that last August 3,003 spent a night here, and there were several days in that month in which at least ninety had to be referred to other houses. Many of these came back the next day for information as to the best way to see the city and to learn the time of trains to mountains, seashore and suburban places. The Guide to noted places and how to reach them, and pleasant excursions by the trolley, compiled by the General Office Secretary, has been of great help and many thanks have been received for the assistance it gave. Many problems have come to the Transient Office; disheartened and discouraged girls, women stranded in the city without money or friends, people brought by the Travelers' Aid Society, all needed help and advice. Several young women who were unhappy at home came hoping to secure employment, some were persuaded to return home and work was found for others. An educated girl from Servia, who had not heard from her people for several months, was given work in the house until employment was found for her. Two girls who were walking from Boston to San Francisco asked permission to earn their lodging and breakfast by serving in the Restaurant. They left early the next day with many good wishes exchanged.

The Restaurant in its pleasant quarters on the eighth floor, is open to transient boarders for all meals, but is closed to the general public on Sunday. In the past twelve months 148 free meals were served; besides these there were 61,078 meals served at an average cost of 17½ cents. The SUPPLY COMMITTEE which has charge of this Restaurant has under its care also, the large dining-room for the permanent boarders.

The EMPLOYMENT BUREAU, which is open from 9 A. M. to 4 P. M., except on Saturday when its doors close at 1 P. M., is free to both employer and employed, furnishing positions in all forms of work except domestic service. During the year there were 912 applications from employers, 2,075 from those seeking work, and 838 positions were filled. This is an increase over last year of 47 in the number of employers and of 36 in the positions filled.

The LIBRARY is open from 10 A. M. to 9.45 P. M. and is free to all business girls. There is a constant accession of new books which, with the many magazines, the Sunday School helps and the daily papers, make the room very attractive. The record for the year shows a circulation of 6,905 books and that there were 33,881 readers. Their influence was extended by the sending of six packages of reading matter to the Pennsylvania Prison Society in which there were many of the women's magazines for the women's department; a box to the Life Saving Station of Cape May; four packages to the Seaman's Mission, three packages to the Salvation Army and two packages to League Island for the marines at Haiti.

The EDUCATIONAL COMMITTEE had, at the close of 1915, 267 pupils enrolled in 26 classes holding 28 sessions weekly, and new classes were being formed. An attractive folder was sent out at the beginning of the fall term, showing the number of subjects taught. There is general regret at the lack of a swimming pool. A short devotional service begins each evening's work. The Commencement exercises, which took place in May were, as usual, most interesting with the fine exhibit of work done and the reports of the various teachers. Certificates of merit were given to 25 pupils.

FAITH AND WORKS, now beginning its forty-first year of publication, has gathered up reports and other details of work for its readers, and in July and August has endeavored to give them, in their summer wanderings, some hint of the work that is still going on here, despite the heat of the city.

The KENSINGTON BRANCH hoped to move into their new building before the close of 1915, but they have accomplished much in

SEA REST, ASBURY PARK, N. J.

the smaller Hoffman Building. In the Restaurant 11,000 have been served. In the Educational work 16 classes have been busy, the closing exercises in May were, in every way successful and 23 pupils were graduated. There are three classes for the juniors and a Mothers' Club of one hundred members for the women of the neighborhood, under the care of the Mothers' Council of Germantown. This Branch has a membership of 500. A pleasant feature of the year was the Tuesday Club night when the girls came to supper, which was followed by a Bible class, and they were then divided, according to their choice into classes for First Aid, Bible, Embroidery and Current Events. The Kensington Guild has furnished three rooms in the new building. The Mothers' Club has furnished one room and did much Christmas work in the sending out of baskets to many needy families. A Community Christmas tree, provided by the Clubs was set up in Westmoreland Park and carols were sung there on Christmas Eve.

The SEASIDE HOMES were opened for managers and their friends on June 11th, and a happy family were gathered there for a fortnight. After that the regular guests began to arrive and very soon the houses were filled to overflowing. They were a merry fun-loving set of girls, many enjoying their first visit to the seashore and all so sorry when the vacation time was over for them. As usual a prayer service was held directly after breakfast each day. Sea Rest parlor used to be the gathering place for this delightful half hour, but that became too small and the meeting was moved to the larger Whelen parlor and hall, and the overflow found comfortable places on the broad stairs. For the conducting of these services the Committee is indebted to the clergymen of Asbury Park, who, whatever the weather, never failed to appear, each on his appointed day. On one occasion Mr. Rodeheaver, of the Sunday party gave an earnest and helpful talk and sang several solos. The library was, as always, a great attraction. The newest books, carefully selected, are sent down each summer by the Library Committee, and are much enjoyed, there being great demand for the newer popular books.

To Penllyn go the girls for a week or week-end and, as long as the weather allows, week-end visitors are always to be found there. Morning religious services are held, sometimes conducted by the girls themselves. On Sunday afternoons a Vesper service is held. For the rest of the time the girls live, as much as possible, out of doors, boating, driving, walking or resting under the trees. The swimming pool is a great attraction, and these girls have grown very fond of Penllyn where, if the house prove too small, a tent gives them healthful sleep out of doors.

To Silver Bay we sent, in July, two delegates; to the nearer Camp Nepahwin many delegates went, each Club sending one or more; these brought back bright reports of the knowledge gained of God's Word, of the many lessons learned from the various speakers, and of the pleasure and health found in the many excursions of different sorts.

The PRAYER LEAGUE has on its list the names of 167 who have pledged to pray for a blessing on our Association. This is many times the "any two of you" to whom the promise was first given, so we need never fear to ask too much or too often.

The RELIGIOUS DEPARTMENT has charge of the religious work of the house. A prayer service for employed officers of the Y. W. C. A. has been held each morning. A Get Together meeting of the Bible classes was a most interesting affair. A Wits End Corner, in charge of the Religious Director, gathers many who are nearly, or quite at their wits' end. The fifteen-minute Sunday Vesper service in the living room, made cheerful the homesick hour of the week. Among others the Supper table Bible class on Friday evenings and a Bible class on Monday evenings have been very popular.

The EXTENSION work has been growing steadily and between twelve and fifteen hundred girls reached weekly. More factories have been interested in the noon meetings. In several places rest rooms furnished with chairs and a piano have been given for the use of the employees where these noon meetings are held. Many volunteer workers have been giving regular, definite service in this great work and the Committee hope the new year will bring many more. A number of new Clubs of girls have been organized in the factories. Club life seems to widen the horizon, and as they learn to assume the responsibility in planning for their Club meetings they find the training valuable for them, and as they become members of the Y. W. C. A. and share its privileges, they soon imbibe its spirit and begin to look for deeds of service to others. Every Monday evening they have been invited to our building here. Supper came first, then a Bible class led by Miss Vaughan, then a bright Current Events class conducted by Mrs. Samuel Jardin. Both these classes have drawn large numbers, girls who were eager to ask questions and to learn. These were followed by a Choral class and, for those who did not sing, there was a class in embroidery, and the evening closed with music and games.

The ASSOCIATED COMMITTEE OF WOMEN ON POLICE MATRONS, after years of strenuous effort, are rejoicing that a pension fund has been secured for the Police Matrons. Partly worn clothing is solicited by this Committee for the women and children arrested.

The J. Lewis Crozer Annex can accommodate 42 girls and a happy family is theirs. They come here for the various events and, in turn, invite the girls of this house to some pleasant entertainment at the Annex. Through the generosity of Mrs. Crozer a new heating plant is to be put in the house and other improvements made.

The SOUTHWEST BRANCH has done good work in its crowded quarters. Many women have come for a night or two and sometimes for a week's lodging and have expressed gratitude for the care taken of them. The educational work has developed well, the classes are larger and there is much enthusiasm. There are 21 registered in the dressmaking class, but they are much handicapped by want of room and facilities. The closing exercises in May showed, however, a fine result of the efforts made. The Employment Office has showed also increase of work. At the Vesper services on Sunday afternoons there was always a good attendance. A Camp Fire Group has been formed in which the girls have been working with much interest.

The NORTH AMERICAN LACE CO. BRANCH is represented by the Chrysanthemum Club, consisting of about 200 girls who are working in the North American Lace Factory. They have had two pleasant outings by invitation on Saturday afternoons to Bryn Mawr school and to Ogontz Seminary. They are desirous of a swimming pool and are endeavoring to gather the money for it. Educational classes are carried on and a Current Events class is popular.

The COLLINS BRANCH have had a busy year. They have had entertainments and socials and summer outings; classes in music, sewing, fancy work and cooking, also in current events and travel talks. Bible classes, too, have been held with a goodly number present. At the devotional meetings the attendance for the year was 3,174. The Big Sister Club has continued its kindly work and 95 children have had life made better and happier for them; especially at Christmas did they bring the spirit of joy into many homes.

Every year adds to the number of Clubs. The oldest is the Philotasean composed of most of the girls of this house. They make it their duty to welcome new girls, to visit the sick and, if one of their number goes to a hospital, she is never allowed to feel herself forgotten. They are happy in a new Club room for the furnishing of which they have been working for some months. Many very pleasant entertainments and musicales have been given by them during the year, and they have been responsible for a prayer meeting held on Tuesday evenings.

Many new Clubs have been formed in the Kensington Branch and they have been found of real help to the girls.

The Sea Rest Club has in its membership only those girls who have been to Sea Rest-Whelen and all their effort is pledged for the Vacation Homes. Last summer one of their number gave a silver plate for the "Grant chair" bearing this inscription, "This chair was occupied by General Grant in 1874 when Sea Rest was opened." This chair is in The Whelen parlor and is shown to visitors with great pride. Another member made and sold washcloths by which she secured \$11.00 and gave it to be used for Sea Rest. Two flags for these Vacation Homes were contributed by these girls this summer and were raised with much ceremony and rejoicing.

To the Educational Committee belong two very active Clubs who, summer and winter, make their influence felt, and in the factories there are very many Clubs, each more than justifying its existence. In the J. Lewis Crozer Annex the Aloah Club makes life happy there and the Camp Fire Group are earnest in service.

The Philotasean, Aloah and Sea Rest Clubs held a Book Carnival for three nights in December which was very picturesque in appearance and successful in results.

All the Clubs did beautiful Christmas work and helped somebody to be happier. The Nokomis Club of the Extension Department gave, on December 21st, a Christmas party for 25 crippled children and made it a joyous occasion for them.

On December 23rd the Athletic and Thimble Clubs of the Educational Department, under the auspices of the Christmas Circle of the Thimble Club invited 600 children to celebrate Christmas, and it was an evening that will long be remembered by the little guests. Members of other Clubs helped on these occasions, especially the T. M. T. M. Club who proved their right to their name,—The More The Merrier.

On November 17th, Open House was observed to start the membership and subscription campaign.

To the Volunteer Workers' Conference of Delaware, Maryland and Pennsylvania held at Harrisburg in November, our President, Mrs. Hudson, was sent as a delegate.

The following legacies have been gratefully received: From the estate of Miss Charlotte Chorley, \$475; Miss E. S. Shippen, \$10,000; Miss E. J. Boyd, \$500; Miss M. J. Chorley, \$475; Mrs. Anna R. Meyers on account, \$6.83. We have also received by legacy from Mrs. Anna J. Meyers her country house and grounds at Trappe, Pa.

We would acknowledge our indebtedness to the clergymen who have come to conduct the opening exercises of our Association meetings and to speak at the Sunday services, and to those of Asbury Park, who so willingly took charge of the daily morning prayers; at Sea Rest-Whelen; to the physicians who have often been of great help, and to the press for their kindly reports of our activities. Our thanks are due also to Ernest Leigh Tustin, Esq., Wm. H. Peace, Esq., and to Wm. Caspar Stoever, Esq., for their ready kindness whenever legal advice or help was needed. And to our faithful staff of employees we would express our gratitude. Much of the ease with which the caring for a great house like this is carried on, is owing to their faithfulness and efficiency; especially is this the case in the summer when so many of the Committee members are out of town.

During the year we have received the following new members: From the Methodist Episcopal denomination, Miss Elizabeth G. Chance, Mrs. H. E. Fahnestock, Mrs. Elmer D. Smyth, Mrs. Wm. H. Deardoff and Mrs. John Gribbel; from the Presbyterian, Miss Mae Lynd, Mrs. Harry L. Cassard, Mrs. Paul C. Fisher and Mrs. John G. Hershey; from the Baptist, Mrs. Chas. J. Riter, Mrs. Sara McConnell, Mrs. Wm. H. Moore, Mrs. Spencer K. Mulford, Mrs. Victor J. Mulford and Mrs. Arthur Saxton Baty, from the Episcopal, Mrs. T. Vance Lindsay, Miss Annie Newbold and Mrs. Frank B. Webb, and from the Lutheran, Miss C. E. Lehman.

By death we have lost five beloved fellow-workers: Mrs. Dewey Austin Cobb, who died March 5th, had been with us since 1888 and a faithful member of the Editorial Committee; Mrs. Wesley C. Best, whose death was on March 9th, had been with us since 1891, a member of the Visiting Committee; Mrs. Wm. H. Allen, who after years of great suffering, died on April 19th, had been a Manager since 1880, and a member of the Library and Editorial Committees; Mrs. E. H. D. Fraley, who died on November 13rd, had been a Manager since 1890 working with the Vacation Homes Committee, and Mrs. Lawrence Hawkins who had been with us since 1890, till her death on December 21st. Miss Emeline Wiegner, who died on September 1st, became a Manager in 1888, in 1891 she organized the Kensington Branch and was its Chairman until 1910, when ill health caused her resignation and removal from the city.

This has been but a brief record of the year, leaving out many of the stories of service and of pleasure which have filled the days that followed so closely on each other. But enough has been told to show the goodness of our God upon us. Last year the J. Lewis

Crozer Annex Committee was despairing because no means of heating the house properly could be seen. Now they are rejoicing in the immediate installation of adequate heat. Kensington Branch has waited long for the completion of their new building, but with the outgoing of 1915 their entrance into it is a near certainty. The Southwest Branch members have been grieved because of being so hampered in their work in such narrow quarters. Now the knowledge that John Wanamaker, is about to put up a suitable Y. W. C. A. building for them brightens their future. So in every Committee we see the blessing that means growth and increased influence. The sky may not be all clear, money is needed for our own wants, for the expenses of a house like this must necessarily be very large, and there are doors opening in the work in the factories that, for lack of money to engage secretaries, we cannot enter. But with the need we ask for the strength to meet it and the help that is never lacking. So we begin the new year with fresh courage, glad to think of the hundreds who are being daily helped through us, and thankful for the opportunities for carrying out our motto of Protection, Prevention and Prayer.

ALICE FEINOUR BURK,
Corresponding Secretary.

FORM OF BEQUEST.

I give and bequeath to the "YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF PHILADELPHIA," a corporation under the laws of the State of Pennsylvania, the sum of.....Dollars, to be applied to the uses and purposes of said Association.

FORTY-SIXTH ANNUAL REPORT.

1916.

In presenting this forty-sixth annual report of the Philadelphia Young Women's Christian Association, it is a pleasure to see how far its work has grown and the extent of its influence. The twenty-two committees with which the Board of Managers has been working have presented monthly reports of great interest and this review of the year's activities gives but a slight account of all the days filled with productive work, and with the fun and pleasure and the real purpose that has pervaded the year among the girls connected with this Association.

The 304 girls, boarding in the house, have found work interesting and helpful and of service to others. The Philotasean Club, which has for its members most of the boarders, has done much good in the social life, and has found the new club room, not only a delight to the members, but of pleasure to those whom they have invited for social evenings. Some cases of illness were reported in the house, but death did not enter its portals last year. About fifty of the girls were married during the year, one of them having her wedding in the house parlor, some were married in church and the others in their distant homes. The Admission Committee, whose work is the oversight of the boarding department, has been obliged, because of lack of room and other reasons, to refuse 613 applicants.

To keep the rooms of all the boarders and the transient guests, and the different rooms and halls in repair and cleanliness and give them the homelike look that is very pleasant, is the work of the House Committee and its faithful housekeeper and her assistant. One girl said, in appreciation of how well her room looked, "You'll always find me in my room now. I love it too dearly to want to leave it." Much was done last year for the improvement of the house. Four of the halls were entirely renovated; the Restaurant, one of the linen rooms, several of the bedrooms and the infirmary have been painted white; the roof garden was made into a place of joy, necessities for the kitchen were given, gifts were made to the

club room and to the annex. For all these the committee is indebted to Mrs. Alfred F. Moore, Mrs. Edwin F. Keen, Miss Mary Pearsall, Mrs. W. W. Coxe, Mrs. Samuel Disston and many others, whose gifts are all heartily appreciated.

The many acts of kindness to the discouraged and aid to the stranded and helpless, were opportunities that the Transient Committee never failed to use. Several young girls, who had run away from home, found their way to the Transient Office and were persuaded and helped to return to their homes. One girl, who had worked her way up from Panama, reached the office one Saturday night. She was cared for over Sunday and then referred to the Employment Bureau where she was able at once to secure a position. Cheering words of appreciation, given by the passing guests, added greatly to the pleasure of the bright clerk of the Transient office. Two of the visitors told her that this was the "realist" Y. W. C. A. they had found. Typewritten directions, prepared by the Secretary of the General Office, telling what was worth to see, and how to reach the different places, proved to be of great value to the strangers. The number of lodgings during the year was 21,722. Free lodgings were given to 81 women and girls, and 1118 comers, owing to lack of room, had to be refused and were referred to near-by boarding houses.

The Building Committee is to be congratulated on the completion, in January last, of the Kensington Building, the dream for years of this Association and its Kensington Branch. General repairs in this central building have been attended to, and fire alarm gongs and signal stations have been installed on each floor.

A journey to the eighth story finds the Restaurant even more pleasant than before, for now the outlook on the north, east and south adds to the light and affords a fine view over more of the city. The attraction of good cooking is shown by the growing popularity of the Restaurant. The record shows that 71,414 meals were served during the past twelve months, this being an increase of 10,336 over last year. 181 free meals were also served. To the Supply Committee, which has charge of the Restaurant and the large dining room for the boarders, much credit is due; and the members of this Committee are greatly indebted for improvements in the Restaurant, for the gifts to help in the kitchen department and for the refrigerating plant, which is of great use and convenience and is from the donors who wish to be unnamed.

A visit to the Employment Committee during its working hours shows generally an applicant waiting her turn to ask for a position;

and the sympathy of the clerk goes forth to the incompetent, for whom it is hard to find work because the demand is for good workers. The Committee has on file many letters of appreciation from both employers and employed which, together with the work accomplished, should be a cause of real gratification. During the year there were 1461 applications from employers, 2048 from those seeking for work, and 1136 positions were filled.

The constant accession of new books, the care of librarians in suggesting desirable reading, the number of magazines and daily papers and the fine Reference Annex, are strong attractions which the Library Committee has striven to attain. The record for the year shows that there were 6445 volumes loaned, and that 33,018 readers used the room for quiet reading and study. The influence of this Committee was extended by the sending of large packages of reading matter to the Prison Committee and to the Seamen's Mission at Cape May, and for these grateful letters were sent to the Committee.

Another place of activity is the Educational Department, where classes in all branches are at work in the evenings, afternoons and frequently in the mornings. The Gymnasium was in use nearly every hour of the day and evening. A small group of girls have been coming each week from the Society for Organized Charity for recreation and through the kindness of Mrs. Cyrus D. Foss in paying the membership dues for them, they have been privileged to come to the Gymnasium each Saturday evening. A number of girls from the Southwest Branch have been coming each Saturday afternoon for instruction in the Gymnasium under the Physical Director. An extended course of instruction in practical cooking was given successfully though hampered by the limited accommodations of the Club room kitchen. It is really a necessity that a properly equipped department for this line of instruction be established as soon as funds are available. On one evening and one afternoon this department has been wonderfully favored by the valued and instructive lectures on practical cookery by Mrs. Caroline B. King, who comes through the courtesy of the Evening Telegraph. The Commencement, held in May, showed that there were 458 pupils in 32 classes holding 41 sessions weekly. At the close of the year there were 348 pupils registered in the 32 classes. Besides the Mandolin Club, which gives much pleasure in its recitals, there are three other active Clubs composed of many of the class members. All these Clubs enjoy their summer outings, their winter social gatherings and their charitable work, especially their annual Christmas party to 500

poor children. 200 dolls were given at the party last Christmas, 300 toys and 530 stockings; 150 pieces of clothing were distributed among poor children and two gifts of five dollars each were made to two individuals. The kindly interest and co-operation of the Board of Managers have made this Christmas party possible and it has been met with appreciation and gratitude.

The building for the Kensington Branch was completed in January, and an Opening Week was held in February to celebrate the event. Great interest was shown by the people of the neighborhood. The membership has increased to 1621, and there are 68 girls in the boarding department, which fill it to its utmost capacity. At the Cafeteria 17,326 meals were served. The evenings have been happily spent in classes and social gatherings. The swimming school has proved a great attraction and 1367 girls took swimming lessons there last year. A swimming exhibition given in December showed their great proficiency. This Branch has 10 federated Clubs with a total membership of 318; this figure is double that of the same month a year ago. Some beautiful work was done by these girls at Christmas, helping the poor and making happy many children. The Sunday Vesper services and the evening prayer services and the Bible classes have been well attended; there were noon meetings at seven different factories and these, with the noon meetings in the Cafeteria, have been greatly appreciated.

Faith and Works, now entering its forty-second year of publication, has had for its aim the giving of details, in summer or winter alike, of the many phases of the Association's work. It records the activities of the different Committees and the various Clubs. It tells of the life pulsating here, and the enthusiasm of the girls coming back from the Summer Conference speaks through it. In April it laid aside the form in which it had appeared so long and assumed what is called a more modern dress.

The Vacation Homes Committee was busy during May in preparing for the coming of managers and their friends, who came in glad anticipation and had a pleasurable three weeks there and did much in helping the needs of the house. On the third of July the regular vacation guests began to arrive in numbers far more than in preceding years, and from that time the house was filled, sometimes to overflowing with girls who spent one or two happy weeks there. The number of applications was 6093, but of these only 1500 could be accommodated. Each girl left with regret and happy memories of the bright days she had spent there and of the pleasant friend-

ships she had formed. The Committee is very grateful for the gifts made to the Beneficiary Fund, which enabled them to send to Asbury Park many girls who needed a vacation but had no money to pay for it. The Committee is also indebted to the clergymen who came to conduct the morning services and to all who helped for the pleasure and profit of the girls.

Holiday House at Penllyn, another vacation house, has been a favorite spot for week-end or daily or longer visits from hundreds of girls under the care of the Extension Committee. The season began with the first spell of mild weather and for the first time the house has been open all winter.

The Prayer League has on its list 148 who are pledged to pray for some Committee work of the Association. That these prayers are abundantly answered is shown by the enlarged interests and by the manifest growth of religious spirit in the house and in the Branches and work connected with it.

Speakers for Sunday and weekly prayer meetings were provided by the Religious Committee. Bible classes in different parts of the city and in the Association Building and its Branches were organized by them. At the Easter service Madame Barakat was secured for an exceedingly interesting address. On Christmas Eve she spoke to the girls in the Kensington Branch and all who had heard her felt that she had given new life to the Christmas story. Meetings of the Secretaries have been held each morning, and the waitresses held a meeting each Sunday morning. A supper table Bible class has been held each Friday. In January, Miss E. Stafford Millar, an Australian evangelist, took charge of meetings for two weeks; these meetings were in the afternoon and evening, and were found earnest and helpful by large and attentive audiences. The Philadelphia School of the Bible has been holding throughout the year, under the auspices of the Religious Committee, a Monday night Bible Class, taught by the Rev. Wm. Pettingill. On the hottest night in August or the stormy evenings of December the attendance was still good and much interest manifested. Dr. Scofield, President of the School, also gave an interesting and helpful series of talks in the spring and fall.

Among the factories, where the Extension Committee is working, the girls have enjoyed the noon hour meetings where were lessons in First Aid and Bible Study and Practical Talks on various subjects and frequent concerts. The Philadelphia Musical Club

has given much pleasure in these noon hours. The Committee is deeply grateful for the dependable and efficient help of the volunteer workers who are instructing in the noon hour at seventeen factories, and the attendance at these meetings has noticeably increased during the past year. In the summer Bible classes and lessons in Nature Study, given in the open air, and Camp Fire suppers and tramps in the country were greatly enjoyed. While the work among the factories seems unlimited in this city, yet encouragement comes with the knowledge that those who have been reached have a fuller vision of the ideals of the Young Women's Christian Association. There are now eight Clubs among these girls and much charitable work was done by them for the poor and sick, and at Christmas many poor and crippled children were made rapturously happy by their parties and gifts. A "Setting Up Plans" Conference was held last autumn for all Club officers, volunteer workers and Secretaries, which continued for ten days in the six Philadelphia centres and was found a most inspiring and helpful time for every one and was conducted by Miss Anna Owers.

The Associated Committee on Police Matrons is composed of delegates from eight Societies doing charitable, religious and humane work. Hundreds and sometimes thousands of women and children were brought into police care this last year and, as many of them were destitute, the garments given to the Committee for this purpose were a great help.

The heating plant, installed last year in the J. Lewis Crozer Annex, and the storm doors and sashes have all added to the pleasant comfort of the house. The electric lighting, also installed, has been much appreciated by the girls' boarding department. A concert, given in February, brought money to renovate the rooms with new carpets and attractive wall paper. The linoleum, the kind gift of Mrs. Alfred F. Moore, has brightened the halls and was accepted with hearty thanks by the Committee, and the painting of the house, done by Mrs. Crozer, was gratefully received. The gift of a piano, by Mrs. Samuel Disston, was received by the girls with expressions of joy and with gratitude by the Committee.

The Finance Committee reports that retrenchment does not seem possible, and that the increased cost of living and the higher price for all material and labor make a larger revenue imperatively necessary.

Title was taken to the Vollmer Building in May last, and the Committee, who have been attending to its affairs, deserve much credit for their able oversight of it.

The mail room is always a busy place, and the head of that office is ever ready with a smile and a pleasant word, to cheer those who come to the window for letters or packages or for the keys of their rooms. The report for December, the busiest month of the year, told that 11,508 letters and 1314 packages were received. 1200 pieces of baggage were checked and there were 2275 outgoing telephone calls.

The General Office has always been a busy place, the letters to be read and noted and answered, accounts to be kept, questions to be answered, conversations to be held with inquiring strangers, lists of boarding houses given and city guide lists to be explained, show some of the daily work. A multiplicity of other details fill up the days and are always met cheerfully by the Secretary of the Office.

In the Southwest Branch the work goes on well in its crowded quarters. The classes in dressmaking and embroidery had a very creditable exhibition at the closing in May. The Bible class has been well attended and found of much interest. A Musical Recital in May was successful both in pleasure and financially. The Strawberry Festival in June was also very profitable and interesting.

The North American Lace Branch shows a healthy and lively work done by the Chrysanthemum Club. A business meeting, held every month, was attended by an average of sixty girls. The Educational classes were well attended and the members much interested in their work and studies. The religious work consisted of short talks and Bible readings on evenings after class work, Vesper services and Bible classes. The social life was active both in the winter gatherings and the summer outings. The Social Service life was shown in the giving of Thanksgiving and Christmas dinners and parties and gifts to poor and shut-in children.

The Collins Branch last year conducted classes in choral, gymnastic, current events and Bible study. Besides class work there were regular noon meetings every Thursday; also an entertainment each week and an occasional educational talk. The Big Sister Club continued its work with enthusiasm and ended the year with a children's Christmas party. There was also a picnic for the children in June. As a result of their work and contributions they sent out thirty Christmas baskets.

In February the fiftieth anniversary of the National Young Women's Christian Association was celebrated by a Jubilee Week,

and a Pageant with 175 girls in costumes, representing "Fifty Years of Association Life," was much enjoyed by a large audience. In this Pageant the Extension, Educational and House Departments, the Collins, Glenwood Ave. and Kensington Branches took part successfully and with keen pleasure.

At the quarterly meeting of the Association in October the question of consolidation of the Germantown Women's Christian Association, the Young Women's Christian Association and the Business Women's Christian League of Philadelphia, was discussed and, on motion, it was decided that at the present time consolidation was not advisable.

The Association has received with gratitude the following legacies: From Mrs. A. S. Reed, \$2995.52; Mrs. John B. Gest, \$3000; George and Meta Connor Wood, \$112.51 and Jane S. Echterbach, \$1609.21.

The indebtedness of the Association is due to the clergymen who came to conduct the opening services of the Annual and Quarterly business meetings and to speak at the Sunday services; also to those of Asbury Park, who so kindly took charge of the morning prayers at Sea Rest-Whalen; to the physicians who have been often of great help, and to the press for their pleasant reports of the various activities here. Thanks are due also to Ernest Leigh Tustin, Esq., to Wm. H. Peace, Esq., and to Wm. Caspar Stoever, Esq., for their ready kindness whenever help or advice was needed, and to the faithful Secretaries and staff of employees the grateful thanks of the Board of Managers may be given, for much of the ease of caring for a great house like this is owing to their care and efficiency; especially is this the case in the summer when so many of the Committee members are out of town.

During the past year the following new Managers were received with warm welcome: From the Presbyterian denomination, Mrs. Alfred F. Moore, Mrs. Geo. E. Cherry and Mrs. Wm. H. Bigley; from the Baptist, Mrs. Geo. Mixter, Mrs. Markoe and Mrs. John D. Ellison; from the Episcopal, Miss Florence Clarke, Miss Margaret McCabe, Mrs. Chas. Martin Wood, Miss Helen M. Zebbley and Mrs. Frank Nickerson; from the Methodist Episcopal, Mrs. John Malcolm Shelmire, and from the Friends Meeting, Mrs. Geo. Vaux, Jr.

By death five beloved Managers were called away last year; Mrs. Thomas Graham, who died on March 25th, was unable,

through ill health, to do active work during the latter part of the thirty-two years that she was a Manager, but never forgot to pray for the work in which she was interested; Mrs. Edward J. Brock, whose death on April 9th took from the Employment Committee one who had been most faithful until failing health, and also took from the Prayer League her continued interest and prayers; Miss Esther Seal Zebley, who died on April 29th, was unable through an accident to enter actively into the work, but as a member of the Prayer League she asked earnestly for the welfare of the Association; Mrs. John B. Gest, who died on May 9th, had been a Manager since 1872, and in 1884 was elected Vice-President to represent the Presbyterian denomination and she was a great loss, not only to the Executive Committee, but also to the Library Committee, with which she had been connected thirty-six years, and to the Building Committee where she had been twenty-three years, and to the Prayer League where she was a member from the time of its organization; and Mrs. Albert Hatch, who died on October 21st, was an active member of the Educational Committee since its opening and a friend to all the girls and a welcome guest at the meetings of the various Clubs. Her ready sympathy and hearty interest in all that concerned the welfare of the Educational Department endeared her to its members beyond words to express. This interest extended to the Prayer League of which she was an earnest member.

In presenting this report it is with the realization that there is reason for gratitude for all the success that has attended the work that has been done for others, that there is also need of prayer for future and present wants and need of trust in Him who "is able to do exceeding abundantly above all that we ask or think."

Corresponding Secretary.
